Dear Greta

The Rotary Club of Morningside would like to thank you most sincerely for your support for our recent Hamper Drive. The monetary donation you gave was invaluable and your generosity made such a difference to our campaign. Thank you too for advertising our efforts on your website. All told, we collected almost R42 000 to continue to support the Diepsloot community. I am sure Jack will be sending you more details and some pictures soon. I look forward to our next 'raid' by either ourselves or Cataraqui-Kingston!

Keep well.

Kind regards

Jane Royal
